Caroline – I hope all's well. Just circling back re: my request from last week (see below). Any chance the Secretary might have a window to meet with our CEO?

Best,
Pete

Subject: Enbridge Meeting Request w/Sec. Zinke -- March 14

Caroline – I'm reaching out on behalf of Enbridge's CEO, Al Monaco (bio below), to request a meeting with Sec. Zinke when Al is DC later this month (March 14).

The purpose of the meeting would be to provide the Secretary with an overview of our energy infrastructure business in the U.S. and throughout North America, our growth/investment outlook and to discuss permitting reforms.

We're hopeful the Secretary might have some time to visit with Al the morning of March 14.

Happy to chat further if helpful. Thanks for your consideration.

Best,
Pete

Al Monaco

President and Chief Executive Officer

Al Monaco was appointed President and Chief Executive Officer on October 1, 2012. He is also a member of the Enbridge Inc. Board of Directors. Prior to being appointed President of Enbridge Inc. in February 2012, Mr. Monaco served as President, Gas Pipelines, Green Energy & International with responsibility for the growth and operations of Enbridge's gas pipelines, including the Gas Gathering & Processing operations in the United States, Enbridge's Gulf Coast Offshore assets and the Company's investments in Alliance, Vector and Aux Sable, as well as Enbridge's International business development and investment activities and Green Energy. Mr. Monaco has more than 30 years experience in the energy business including the upstream oil and gas exploration, development and pipelines businesses. Since joining Enbridge in 1995, he has held positions including Executive Vice President, Major Projects & Green Energy, and as President, Enbridge Gas Distribution; Senior Vice President, Corporate Planning and Development; and Vice President, Financial Services and Treasurer for Enbridge's U.S.-based master limited partnership.
